RESEARCH PROJECTS

- International Project on Depoliticization** 07/2014-present
Project co-coordinator for an international comparative project on depoliticization. In this project we hope to develop a multi-disciplinary approach to critically understanding depoliticization across country cases and across policy sectors. Edited book in development with planned publication early 2016.
- Drug Mules in Europe** 01/2010-12/2012
Developing a better understanding of the term 'Drug Mule' and the associated drug trafficking acts across Europe.
- Money Laundering** 2010
A mapping exercise of European and national responses to money laundering.
- Cannabis Production and Trafficking in Europe** 2011-12
Collection and analysis of national data on the new trends in production and trafficking of cannabis.
- European Drug Policy Frameworks** 2011
The development of a new framework to understand, analyse and compare national drug policies throughout Europe.

GRANTS/AWARDS

- FCT R&D Project Grant – Crisis Politics** 2015-2018
Project/Task coordinator on a €197,000 funded international project supported by the Fundação para Ciência e a Tecnologia examining the impact of the crisis on European politics and accountability.
- Faculty Exploratory Research Grant** 2015-2017
Award of €10,000 over a period of two years to develop the project 'Post-Crisis Politics: Decision-making Discourse and Democracy' into a European COST Action proposal.
- FCT Doctoral Scholarship** 04/2013-03/2017
Doctoral scholarship (fees and subsistence) awarded by the Fundação para a Ciência e a Tecnologia (FCT), Portugal
