## PLAN OF ACTIVITIES

*Please describe the activities you plan to develop within the CADI in the next 2 years that operationalize the strategy defined, including a training plan, events, networking activities and integration of stakeholders.*

- ❖ Increase the international Mobility (ICM) for Academic and students (In/Out)
- ❖ Undertaking the English course for academic purposes
- ❖ Short-term training programs in transversals competencies
- ❖ Seminars on quality management, control and evaluation

## COURSES

- Quality Management for Higher Education Institutions
- Science and Communication
- Workshop on Cooperation and Fundraising
- Project Management and Microsoft Project
- English for Academic purposes

## INDICATORS

*Please include clear performance indicators as part of the evaluation of the CADI for the next 2 years (e.g. Number of organized training events, workshops, stakeholders meetings, conferences, Number of People engaged, Number of students involved, Number of Projects proposed, information days)*

- ❖ Undertake joint projects with the office of the local administration
  - ❖ Participation on incubators projects between the University and the Ministry of Youth and Sport
- .....

## EQUIPMENT

*Please detail the available equipment received during the Project UDI-AFRICA duration*

The UAN CADI received 20 computers laptops and a multifunction photocopier and printer.

*Please detail the other equipment available*

EQUIPMENT CADI UAN			
	Qt	Source	State
Laptops	20	UDI- Africa	operational
Photocopier	1	UDI- Africa	operational
Tables	15	UAN	operational
Chairs	30	UAN	operational
Projector	1	UAN	operational

Projector screen	1	UAN	operational
White board	1	UAN	operational
Whiteboard marker kit	2	UAN	operational
archive cabinet	1	UAN	operational

## FUNDING PLAN

*Please explain how the CADI will be funded in the following 2 years (budget and sources, stakeholders involved)*

For the next two years, the CADI will be sustained through the University general budget.

However, we expect that the participation on incubators projects between the University and the Ministry of Youth and Sport, and some paid courses will bring extra funding to the CADI.
